

The Challenge Lepertel award commemorates former ACP President Robert Lepertel, who reinvigorated Paris-Brest-Paris and who was instrumental in the founding and early development of Les Randonneurs Mondiaux and served as its first president.

Riders achieve the award by completing four different events as follows:

- A 1200 kilometer or longer event in each of 4 consecutive calendar years.
- Eligible events are Paris-Brest-Paris or any event sanctioned by Les Randonneurs Mondiaux.
- Not all four events may start in the same country.
- The first event can be in calendar year 2019 or later.

Applications are due in January of the year following the fourth ride year. Applications are to be submitted to rider's home country organization or LRM Representative. Medals will be sent in a batch to each country in the first quarter of the year.

Application

Name	Postal Address
Email	
Country	
Club / ACP Club Code:	

List your claiming period _____ (four consecutive years, for example, 2019-2022).

For each year, provide the following information: (1) year, (2) event name, (2) event date, (3) event country (please note that events must start in at least two different countries), and (4) your homologation (certificate) number for the event.

Year	Ride	Date	Country	Number

Is this your first Challenge Lepertel? If not, list the claiming period for prior award _____. (Note that claiming periods may not overlap. For example, if your prior award was for 2019-2022, the next claiming period may not start before 2023.)

Note special pandemic rule: For a claiming period of 2019-2022 only, the events listed for year 2 and year 3 can be from any year in the claiming period. (For example, can claim award with an event from 2019, two events from 2021, and an event from 2022).
